ON TOUR

Ever wish that Fort Rocky was just on your doorstep???
Now it can be with Fort Rocky: On Tour!!
The Fort Rocky team can now be booked to come to you, delivering their high quality sessions, workshops & team challenges for a weekend.

Working alongside you our aim is to plan a residential around your young people with same the heart, passion and focus of any other Fort Rocky. We take the stress of creating a spiritual programme off your hands by providing our five interactive roadshows with brilliant games, testimonies, media and great communicators. Not only that but we can provide a number of workshops, wide games, interactive team challenges, scavenger hunts and many more activities.

How does it work??

Whilst we provide our set, stage lights, spiritual programme and activities we ask that you take a part too! All we ask is that you find the venue (including accommodation and food), work in partnership with ourselves to create the programme, bring a team and get the young people there!!
