STATEMENT OF FAITH

We Believe In:

The one true God who lives eternally in three persons—the Father, the Son and the Holy Spirit.

The love, grace and sovereignty of God in creating, sustaining, ruling, redeeming and judging the world.

The divine inspiration and supreme authority of the Old and New Testament Scriptures, which are the written Word of God—fully trustworthy for faith and conduct.

The dignity of all people, made male and female in God's image to love, be holy and care for creation, yet corrupted by sin, which incurs divine wrath and judgment

The incarnation of God's eternal Son, the Lord Jesus Christ—born of the virgin Mary; truly divine and truly human, yet without sin.

The atoning sacrifice of Christ on the cross: dying in our place, paying the price of sin and defeating evil, so reconciling us with God.

The bodily resurrection of Christ, the first fruits of our resurrection; his ascension to the Father, and his reign and mediation as the only Saviour of the world.

The justification of sinners solely by the grace of God through faith in Christ.

The ministry of God the Holy Spirit, who leads us to repentance, unites us with Christ through new birth, empowers our discipleship and enables our witness.

The Church, the body of Christ both local and universal, the priesthood of all believers—given life by the Spirit and endowed with the Spirit's gifts to worship God and proclaim the gospel, promoting justice and love.

The personal and visible return of Jesus Christ to fulfill the purposes of God, who will raise all people to judgement, bring eternal life to the redeemed and eternal condemnation to the lost, and establish a new heaven and new earth.

VISION STATEMENT OF North East Scotland Youth for Christ

To take the Good News relevantly to every young person in North East Scotland

CORE VALUES & CODE OF CONDUCT

The Christian Faith

- States that God is the sole creator
- Determines that each individual is uniquely made in the image of God although is also fallen.
- Declares that Jesus Christ is the Son of God who came to save humankind from sin
- Provides for a relationship with the living God in the person of Jesus Christ that defines what being a Christian means
- Equips the Christian to live life through the power of the Holy Spirit and grow in holiness.

The Christian Expression of Faith

- Honours, obeys and glorifies God, acknowledging God's sovereignty
- Nourishes the spiritual life and is fully committed to developing it
- Believes that no one is beyond the redeeming love of the Saviour, Jesus Christ and this love reaches out to people of all nations, cultures and ethnicities.
- Knows God through the person of Jesus and seeks to follow his way of life, modeling love, justice, peace and forgiveness in attitudes and behaviours
- Embraces the power of the Holy Spirit as the source of strength for living

As we see in Colossians chapter 3 the Christians' motivation to express the love of Christ in his/her life affects not just the nature of the work he/she is involved in but in the way he/she behaves and relates to others. This should lead to a vocational and relational lifestyle characterised and driven by faith in God, touching the lives of others through the work of the Holy Spirit.

The motivation for our mission comes from Christ's love compelling believers (2 Cor.5:14) and is therefore rooted in our faith in Christ. This faith produces a distinctive heart attitude of love, which expresses and is characterised by the following values and behaviour.

Core Values

Dignity; Every individual, group or community is created unique and bears the imprint of God. Therefore all relationships within and outside YFC should be characterised by love, compassion and wholehearted respect for the individual, group or community.

Empowerment; Increasing the capacity of individuals and groups to make choices and to transform those choices into positive actions and outcomes. Increasing the spiritual, political, social or economic growth of individuals and communities. Offering opportunities for experience and participation which leads to learning and growth for young people, volunteers, trustees, staff members and linked partners.

Partnership; Actively seeking positive opportunity for partnership with other bodies, forming trusting relationships that fulfil agreed upon expectations by sharing complementary strengths and

resources to reach our mutual goals.

Innovation; Continually pioneering new ways of fulfilling our mission, being prepared to experiment with the new and different as we operate and minister, ensuring a fresh and creative approach to reaching young people relevantly. Meeting the needs of young people and presenting opportunities for exploration of the gospel message.

Core Behaviours

Inclusivity Facilitating a sense of belonging to the corporate whole.

Integrity NES YFC and individual staff would be true to our values in how we operate internally as well as externally. The values which we promote for ourselves as YFC should be matched by those which we practice when relating to others.

These values and behaviours are intrinsically linked to the success and fulfillment of our mission. Therefore, the attitude and motivation of our staff and the way our mission is achieved are as important as the mission itself. (John13:34, Matthew 22:36, 1Corinthians 13:1&2)

As this attitude and motivation come only from a relationship with Christ, it becomes a genuine occupational requirement that many of our staff are committed Christians. Roles that have significant leadership or representational responsibilities, or that are central to fulfilling our aims and purposes or developing and maintaining our Christian ethos, will always be held by committed evangelical Christians. YFC will work at its best when staff work to a common purpose. There are other roles that have key spiritual elements to them, that can only be carried out by those who are committed to a living faith in God.

There are some posts which do not require someone to have an expressed Christian commitment, but it is expected that every member of staff will respect and uphold all areas expressed in this policy.

NES YFC recognise that it is essential that these attitudes and behaviours continue in NES YFC and mark our work. We expect our staff to act in good faith and with loyalty to that relational ethos and to evangelical Christian standards of behaviour.

Notwithstanding this, NES YFC is committed to diversity amongst its staff and volunteers and will not discriminate on grounds that are unrelated to our ethos. We also hold a Code of Conduct which comes out of our values and beliefs and our ethos. (If you request to see this document prior to interview please contact us)

OUR FRAMEWORK OF MISSION

NES YFC operates within the 4D framework, Demonstration, Declaration, Decision, and Discipleship.

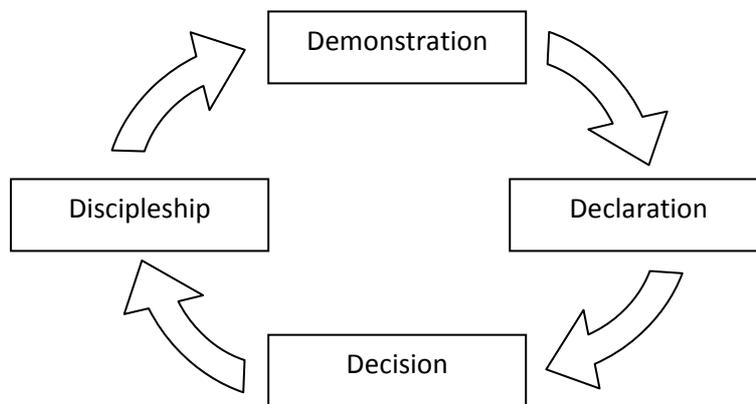

These operate in a cyclical fashion recognising that the nature and work of God precedes the call to conversion and decision. Effective, biblical Christianity demands the process of discipleship as an essential part of any faith decision.

Demonstration The practice of demonstrating acceptance and love by engaging in community development - as a means of alleviating material need and/or building long-term, unconditional relationships with young people.

Declaration Any means of communicating the Gospel that prepares people to make an informed choice about the validity of the Christian message.

Decision As a part of the faith journey, decision is a point at which a person becomes aware of the need to make this informed choice to follow Christ, and does so.

Discipleship The process by which people follow and are formed into the likeness of Jesus Christ, growing in their relationship with and knowledge of God, with others and with their community. This process must be worked out within some form of the Christian church and will involve mentoring, teaching, service and discipline.

We recognise that people are all at different stages of life's spiritual journey and will fit into different categories, our aim is to provide activities which will meet the needs of young people in their life journey. This ranges from the community of young people who do not attend any church activity and live apart from Christ, to the core of young people who are committed to Christ and ministry and are serving because of their love for Christ.
